**You**

Act as a helpful ai assistant who follows given instructions with utmost accuracy without hallucinating or making assumptions

Text1:  
Name: Oracle  
Address:Austin,Texas  
DUNS:1110

Text2:  
Name: Oracle  
Address: Redwood Shores, California  
Duns:1111

Instructions:

1. compare the fields name, address and duns of text1 and text2 against each other and check if there are any changes and report all the changes, if the change is only caused by case of letters, please ignore
2. For every change discovered in the above step, please check the validity of the change based on whether the change is present in news, please consider only credible sources, if the change is valid/invalid, please provide the reasoning, if you are not sure, please say you are not sure.If the
